

# BTL MAKES \$2.2 MILLION DIVIDEND PAYMENT TO THE SOCIAL SECURITY BOARD

On 17 November 2022, Mr. Markhelm Lizarraga, Chairman of the Board of Directors of Belize Telemedia Limited (BTL), handed over a cheque for the sum of \$2.2 million in a dividend payment to the Social Security Board (SSB) for the Fiscal Year 2021-2022. Receiving the cheque on behalf of the SSB was Mrs. Nigeli Sosa, Chairman of the Board of Directors.

With the payment of dividends for the Fiscal Year ending in March 2022, BTL has paid over \$7 million to the company's shareholders to date. This has been made possible due to the strong financial results over the same period which saw an increase of 197% in Net Income and 110% in dividends per share.

BTL remains grateful for the continued partnership of the Social Security Board and thanks its valued customers for their support as we focus on expanding our core products and services, while creating shareholder value, to continue leading Belize's digital future.
