

TWENTY-FIVE BTL SCHOLARSHIPS AWARDED COUNTRYWIDE!

Belize Telemedia Limited (BTL) launched its High School Scholarship Program in September of 1991 and every year since then, Belizean students have been granted the opportunity to pursue higher education. This year, BTL inducted twenty-five Belizean students to the program at its 25th Annual Scholarship Ceremony on August 19th, 2016 at the Radisson Fort George Hotel and Marina.

“The Scholarship Committee goes through a very thorough selection process making sure our the top candidates excel in academic performance during the last three years of Primary School, overall PSE score and have proof of financial need. The scholarship covers full tuition fees and text books for four years of secondary education,” commented Cindy Blanco, Senior Public Relations Representative.

BTL holds the largest scholarship program in Belize and invests an estimate of \$50,000 yearly in secondary education for Belizean students countrywide. Since its debut, the BTL Scholarship Program has assisted more than 300 students in obtaining a secondary education.

“The main goals of the scholarship program are to build talented leaders from underrepresented backgrounds and grant our scholars the opportunity to execute their dreams without financial barriers. BTL supports a range of community development projects; certainly, the scholarship program is among our most important annual initiatives. The scholarships will assist greatly in helping these twenty five extraordinary young people strive for their aspirations and go on to make a great impact in their communities,” added Anwar Barrow, Chairman of the Executive Committee, BTL.

This momentous occasion was celebrated in the presence of BTL’s Chairman of the Executive Committee and Deputy Prime Minister and Minister of Education, Youth and Sports, Honorable Patrick Faber.
