

BTL SUCCESSFULLY LAUNCHES 11 NEW CELL SITES

Belize Telemedia Limited continues the expansion of its 4G LTE Advanced Mobile Network throughout Belize. With 11 new cell sites successfully completed and launched there's now a total of 122 DigiCell sites countrywide!

As an industry pioneer in delivering advanced mobile & internet services, BTL takes pride in successfully launching these 11 additional sites. Local residents and commuters in these areas are now able to benefit from improved mobile and data access. Now customers can TALK MORE, TEXT MORE and SURF MORE!
